December SAVINGS

Each month, loyalty card holders receive discounts on select supplements and grocery items. This month loyalty card holders will receive discounts on the following items:

5% off all grocery items (excluding some local and sale items)

5% off Solaray supplements

10% off Enzymatic Therapy supplements

15% off Benecos beauty products

If you don't have a loyalty card, just ask for one when you visit the store next. It's quick and easy to set up, and will help you save money while living a healthy lifestyle! Also, don't forget to show us your punch card at the checkout too! Each time you buy a supplement, health/beauty product (including essential oils), or household product, you get a punch. Once your card has ten punches, you can use it as 20% OFF coupon for one of those items!

To get 20% off one regular priced item during the month of December, tell us your favorite Christmas song at the checkout. This phrase may only be used once each month, so use it wisely. We can only give you the discount if you recite the phrase, so you must remember it!
